

THE DROP WATER ACADEMY

EDUCATION FOR A NEW GENERATION OF WATER LEADERS.

2027 COURSES

HOW WATER BECAME A PUBLIC MATTER

 13–14 MARCH 2027

FROM LIFE-GIVING FORCE TO SCARCE RESOURCE

 21 JUNE – 2 JULY 2027

IN COLLABORATION WITH THE WATER CENTRE, TRINITY COLLEGE DUBLIN

WATER DOESN'T FIT INTO ONE DISCIPLINE. NEITHER SHOULD WATER EDUCATION.

Water shapes our cities, health, food, industries, economies and politics. Yet we still tend to study and manage it in isolation. DROP connects the dots, exploring water as one interconnected global challenge.

LET'S SHAPE THE NEXT GENERATION OF WATER LEADERS. TOGETHER.

A DIFFERENT KIND OF CLASSROOM

**QUESTION THE
STATUS QUO**

Challenge assumptions
through Socratic dialogue.

**WORK ON REAL
PROBLEMS**

Learn through
real-life case studies.

**KNOW, DON'T
MEMORISE**

Build knowledge, judgement
and perspective.

8 THEMES. ONE INTERCONNECTED CHALLENGE.

ONE WATER

From life-giving force to scarce resource. Humankind's relationship with water. A (hi)story of water.

WATER & INNOVATION

How innovation in water works, and what the obstacles are.

WATER IN INDUSTRIES

Industrial water use and various dimensions of the water footprint.

WATER & HUMANITARIAN AID

How can humanitarian aid solve the water crisis?

WATER IN AGRICULTURE

How 70% of all water is used to make food for mankind.

WATER AS A COMMODITY

How BD units and PPP projects shape water infrastructure.

WATER & AI

How AI is reshaping water management.

HOW WATER BECAME A PUBLIC MATTER

States worldwide regulate utilities and corporate water use.

IS DROP FOR YOU?

SEE WATER BEYOND YOUR OWN FIELD

The DROP Water Academy is for people who already work with water, and those whose decisions depend on understanding it.

ENGINEERING & ENVIRONMENTAL GRADUATES
UTILITIES & GOVERNMENT PROFESSIONALS
CORPORATE SUSTAINABILITY LEADERS

INVESTORS & VC PROFESSIONALS
POLICY-MAKERS & REGULATORS
RESEARCHERS & EDUCATORS

WEEKEND COURSE

HOW WATER BECAME A PUBLIC MATTER

The Hi(story) of Utilities, Modern Day Regulation and Corporate Water Use.

 **13–14 MARCH 2027**

 **CHYVERTON HOUSE, CORNWALL, UK**

From the water systems of Mohenjo-Daro, Petra and Rome to the rise of the public utility, explore the evolution of water infrastructure, ownership, modern utilities and corporate water use through expert insight and real-world case studies.

 **2 DAYS**

 **15–20 PARTICIPANTS**

 **£1,450**

TWO-WEEK COURSE

FROM LIFE-GIVING FORCE TO SCARCE RESOURCE

 **21 JUNE – 2 JULY 2027**

 **TRINITY COLLEGE DUBLIN & BORRIS HOUSE, COUNTY CARLOW, IRELAND**

Exclusive access to experts in one water, the water footprint of everything we consume, PPP water infrastructure projects, water use in agriculture, AI in water management, why innovation in water is different, how water became a matter of the state and can humanitarian aid solve the water crisis? The goal is not to become an expert in every part of water. It is to understand how the parts fit together.

 **2 WEEKS**  **20–30 PARTICIPANTS** **€ 4,300 CORPORATE | € 3,100 INDIVIDUAL**

CURIOUS ABOUT DROP?

MEET FOUNDER INES STROHSCHN AND DROP TEACHERS AND DISCOVER THE ACADEMY, ITS TEACHING PHILOSOPHY AND THE 2027 PROGRAMME.

 **20 JANUARY 2027 · 4:00–6:00 PM CET**

 **ENJOY COMPLIMENTARY ACCESS**
